Preliminary meet on Jayanthis held

Mysuru, Jan. 11 (SSM) - The Kannada and Culture Department had organised a preliminary meeting at Deputy Commissioner's (DC) Office in city on Monday to discuss the celebration of various Jayanthis in the month of January.

Additional DC Dr. B.S. Manjunathaswamy (now transferred), who chaired the meeting, said that Ambigara Chowdaiah Jayanthi will be celebrated at Kiru Rangamandira here on Jan. 21 at 11.30 am.

Kannada and Culture Assistant Director Dr. M.D. Sudarshan said that Sri Shivayogi Siddeshwara Jayanthi has been postponed following Sankranthi festival on Jan. 15. The revised date of celebrating the Jayanthi on Feb. 6 will be confirmed later.

Kannada activist Thayur Vittalamurthy, Ambigara Chowdaiah Jayanthi and Sri Shivayogi Siddeshwara Jayanthi Celebration Committees' Presidents, Secretaries and Kannada and Culture Officials were present.

Nypunya students excel

The students of Nypunya School of Excellence, Mysuru, have won bronze medal in the International STEMfit Competition organised by Charles Darwin University recently. The students — Aarohi, Surya Karegowda, Poorvik and Daksha — chose the topic 'Shiraasana.' They created a video where every bit of information of the asana was explained clearly and their explanation touched upon all the key levers the panellists looked out for. Teachers Shalini Majo, Reshma, Dechamma, Shwetha and Principal Shilpa Prashanth guided the students.

EDITOR'S BOTTOMLINE

The importance of the decennially conducted Census cannot be overstated. As it tallies data on several features of the Indian population, such as basic demography, literacy levels, caste status, educational levels, spoken languages, religion, marital status, occupation, and migration status among others, the Census is vital to administrative functions and planning of welfare schemes. Census data are also critical as they are used as a frame to underpin other sample surveys that are representative of the whole population. The national Census is utilised by international agencies to project the world's population as well. India has conducted the Census every 10 years since 1881; only 2021, a pandemic-affected year, was an exception as the exercise was postponed. With the deadline for freezing of boundaries further extended to June 30, 2023, the Census can effectively be conducted only some months after this event. Census enumeration is preceded by activities such as house-listing. Most States were in line to begin this in early 2020, before the COVID-19 pandemic hit. But the repeated postponement and, consequently, the undue delay in the Census's commencement will severely affect the availability of vital information on population numbers at district and other lower levels.

In fact, Census data should validate the various estimates on mortality based on 'excess deaths' analyses during the COVID-19 pandemic. Also, it is imperative that decadal changes in India's demography related to urbanisation and migration of people across States are captured adequately. Considering these and other imperatives for the smooth planning and implementation of administrative, welfare and statistical management for governance, the Union government must show alacrity in commencing the Census. — *In The Hindu*

Man pulls truck with teeth

Ismailia: A hair-raising video has surfaced on the internet which shows a man in Egypt pulling a 15,730 kg truck with his teeth. The man set Guinness World Records for the 'heaviest road vehicle pulled with teeth.' The clip was shared by Guinness World Records on their Instagram handle.

The video shows a man pulling a truck on the roads of Egypt with his teeth. The clip caught the attention of the netizens and many were curious about his dentist. Ashraf Mahrous Mohamed Suliman created the record in Egypt's Ismailia. Suliman attempted the record as a 'personal achievement'. Along with the video, the caption reads, "Heaviest road vehicle pulled with teeth: 15,730.0 kg (34.678.714 lbs) by Ashraf Suliman."

The video was shared two days ago and so far it has amassed 4 lakh views. A user wrote, "Bruh, I need to find out who his dentist is." Another user wrote, "That's totally insane, from where he brings that much of power."

Transparent Ocean Creature

USA: There are so many creatures that are being discovered by scientists. Some appear to be similar to the commonly seen animals, however, some look out of this world. A video of one such ocean creature is going viral on the internet. Its looks have taken the internet by a surprise.

The video of the creature was shared by Massimo on Twitter where he wrote, "Cystisoma is a crustacean that lives between 600-1000 m deep in the ocean. Its body is totally transparent: only its eyes are pigmented. This one has a brooding pouch full of orange eggs." In the video, Cystisoma is seen placed in someone's hand. The tissues of Cystisoma's internal organs are organised in a very structured and orderly manner, making the majority of them seem crystal transparent. Since being shared, the video has 12 million views and over 11 thousand likes. "I don't know what adjective to describe this with," said a user.

MUDA inspects International Cricket Stadium site in city

▶ Floats Rs. 14 lakh tender for cleaning the land ▶ Real estate prices at Hanchya-Sathagalli poised for a boom

Facility to boost local talents of Mysuru, says State Cricket Body

The location of the proposed Cricket Stadium *(marked in red)* ***on Ring Road at Hanchya-Sathagalli, to the East of city.***

Mysuru, Jan. 11 (RK&BCT)- The Karnataka State Cricket Association's (KSCA) plan to construct a state-of-the-art International Cricket Stadium at Hanchya-Sathagalli in Mysuru received traction this morning with the site visit by Mysuru Urban Development Authority (MUDA) Chairman Yashaswi S. Somashekar, Commissioner G.T. Dinesh Kumar and a team of officers.

MUDA has already decided to allot 20-acre and 20-gunta land for the Stadium at Hanchya-Sathagalli Layout 'B Zone' to the south of Visvesvaraya Technological University (VTU) Regional Centre on the Outer Ring Road that is bound by roads on all sides. The KSCA is planning to construct a state-of-the-art International Cricket Stadium there. The KSCA Mysuru Zone had sent a proposal to the MUDA eight years back for the land allotment. It is a suitable land as it is located at a prime locality on the Ring Road where four roads meet and there is good connectivity to Bengaluru.

Next to VTU

The exact location of the level plot is next to VTU and is located between Deve Gowda Circle and KSRTC Sathagalli Bus Depot. MUDA will hand over the land to KSCA on a 30-year lease at a price of Rs. 2,100 per square metre, totalling an amount of Rs. 18 crore. The land comes under Survey Nos. 84, 85, 88, 104, 105, 107, 109 and 106.

During the inspection today, the MUDA Chairman said that the area that is full of shrubs and bushes will be cleaned and a tender has been floated for Rs. 14 lakh for the purpose. "CM Basavaraj Bommai has consented to allot the land and the Cabinet will clear the allotment order and the amount levied by MUDA subsequently," he said.

On Survey No. 106, there is a Government water body and Revenue Department has to clear the allotment. KSCA can retain the water body as it will be an added attraction to the Stadium, he opined. On the timeframe for Government approval, Somashekar said that the file is with the CM's Office and it will come up in the Cabinet soon. "All the issues will be considered by the Government including the lease amount and the land use patterns. MP Pratap Simha is coordinating with MUDA and KSCA," he said.

KSCA sources told *SOM* that the Mysuru Stadium will be a world-class facility that will be better than Chinnaswamy Stadium in Bengaluru. "We are happy that things are moving in right direction and once the Stadium is a reality, it will boost the cricketing talent of Mysuru region — Mysuru, Mandya, Kodagu, Hassan and Chamarajanagar.

MUDA Superintending Engineer (SE) Channakeshava, Executive Engineer (EE) Dharmendra Kumar, Assistant Executive Engineer (AEE) Mohan, Town Planning Assistant Director Yajnendra, AE Prasad and other officers were present.

Are you a victim of online fraud?

Call Helpline 1930 to complain

Mysuru, Jan. 11 (SBD&KS)- With cyber crimes increasing day by day, the District Police have urged those cheated online to immediately call Helpline number 1930 and lodged a complaint.

Pointing out that those educated were losing lakhs of rupees to cyber crimes, the Cops said that cases of cheating through social media were also being registered besides stating that online fraudsters posing as Bank officials and Customer Care representatives were collecting One Time Passwords (OTPs) from the people and withdrawing money from their Bank accounts.

The Police said that most of the online cheating cases were happening during weekends, Bank holidays and general holidays as those cheated cannot enquire with their respective Banks though they receive messages of cash withdrawal on their registered mobile phone numbers.

Hence, the District Police have urged the people to immediately call Helpline 1930 or log on to ***https://cybercrime.gov.in*** and lodge a compliant.

Four of a family from Mysuru arrested for stealing temple bells in Kodagu

Bells weighing 750-kg worth Rs. 10 lakh recovered; The accused had also stolen temple bells in Periyapatna, Hassan, Mysuru and Chamarajanagar

Madikeri, Jan. 11- The Kodagu Special Police team have cracked various cases of temple bell thefts in the district by arresting four inter-district robbers, who are members of the same family.

Addressing a press conference, Kodagu Superintendent of Police (SP) M.A. Aiyappa said that those arrested are 37-year-old Amjad Ahmed, 22-year-old Samilulla alias Sami, 36-year-old Zulfikar alias Zullu and 36-year-old Hyder, all residents of Kesare in Mysuru.

The Police have recovered temple bells made of various metals weighing 750-kg and worth Rs. 10 lakh, besides seizing a car used for the crime from them.

From February to October in 2022, eight cases of temple bell thefts were registered at various Police Stations in the district. The accused had stolen hundreds of bells from Gonikoppa Mayamudi Kamate Sri Mahadeva Temple, Kala Bhyraveshwara Temple at Nittur Karmadu in Ponnampet, Bilur Kallugudi Eshwara Temple, Basagur Mahadeva Temple, Sri Durgi Temple, Halligatti Bhadrakali Temple, Eshwara Temple at Karada Maletirike in Virajpet, Kedamallur Sri Mahadeva Temple and Napoklu's Sri Makki Sasthav Temple, by damaging the CCTV cameras.

The SP said that a special team comprising 30 Police personnel was formed to nab the robbers, who collected CCTV footages and technical evidences to nab the culprits. The Special Police Team, which collected mobile tower locations of mobile phones which were active at the spot during the thefts and also call details since three months, went to Mysuru where they camped for three months.

The team which collected footages of CCTV cameras installed from the spot of crimes till Mysuru were successful in arresting the accused along with the stolen temple bells, he added.

The SP further said that the accused used to melt the bells and sell the metal to industries. Before committing the thefts, the accused used to collect information and later damage CCTV cameras during night and steal the bells, he added besides stating that the accused used metal cutters and transport the stolen bells in a Delhi registration Hyundai Getz car (DL-4C-AG-8070).

Continuing, the SP said that the accused had also committed temple bell thefts at various places including Periyapatna, Hassan, Mysuru and Chamarajanagar, which came to be known during interrogation and information pertaining to temple bell thefts has been sought from the respective Police Stations.

Stating that all the accused belonged to the same family, he said that they had no connections with anyone in Kodagu and added that more investigation is going on besides expressing doubts on the car seized by the Police, who are verifying the documents.

Along with hundreds of bells, the accused had also stolen two bells weighing 80 kg and 120 kg. The Police had brought all the bells stolen by the accused in a mini goods vehicle. The bells were segregated according to the cases registered in various Police Stations during the press meet.

Mysuru, Jan. 11 (MK&KS)- Kuvempunagar Police have arrested a house burglar and have recovered 40 grams gold ornaments worth Rs. 2 lakh from him.

The accused is 51-year-old Manja alias Manjunath of Halasinahalli in Hassan. He had burgled the house of one Kushalappa in Vasu Layout on Dec. 9, 2022 and Kuvempunagar Police, who had registered a case in this regard, arrested the accused on Jan. 1, 2023 at Bhavya Bharatnagar in Srirampura.

The accused had two cases registered in Kuvempunagar Police Station and six cases in Arasikere and Chikkamagalur Police Stations. He had also served five years jail term.

DCP (Crime and Traffic) M.S. Geetha Prasanna and KR Sub-Division ACP S.E. Gangadharaswamy guided Kuvempunagar Inspector L. Arun, Sub-Inspector Gopal and staff Hazarath, Suresh, M.P. Manjunath, N.K. Puttappa and Chikkabasavegowda in the nabbing and recovery operation.

Former GP President killed as private bus hits

Nagaraju

Mysuru, Jan. 11- A former Rammanahalli Gram Panchayat (GP) President was killed on the spot, when a private bus rammed into him near Varuna Lake yesterday.

The deceased is Nagaraju (50), a resident of Kalisiddanahundi. Nagaraju, along with four of his friends, had been to Chikkallur Jatra and were on their way back.

They stopped near Varuna Lake to attend nature's call and Nagaraju, who had crossed to the other side of the road was coming towards the car when a private bus (KL-17-A-9639), coming from Mysuru side, rammed into Nagaraju, killing him on the spot.

Varuna Police, who rushed to the spot, conducted mahazar, shifted the body to MMC&RI mortuary for post-mortem besides registering a case.

Make Karanji Lake Ticket Counter hassle-free

Sir,

We being the dwellers of Mysuru from past 10 years had never been to Karanji Lake in all these years but today since everything fell in place, we thought of going to the pristine lake and breathe in some fresh air.

Then we walked into the ticket counter and to my utter shock they didn't have a scanner to pay the entry ticket amount and when the money was provided to him, he didn't want to take the Rs. 500 note and refused to accept stating it was fake.

They were not at all obliging and everything was going on at a snail's pace. With all this experience I only wonder when a roadside fruit-seller can install a code scanner for his business transactions, why not a Park like this where there are ample walk-ins and people who look for hassle-free payment on tickets.

Hope the officials concerned may someday do something about it.

80,000 to participate in Yogathon at Mysore Race Course on Jan. 15

DC holds preliminary meeting, instructs officials to make necessary arrangements

Mysuru, Jan. 11 (BNR)- Over 80,000 people from across the district will take part in the Yogathon to be held at Mysore Race Course (MRC) in city on Jan. 15 at 8 am, said Deputy Commissioner (DC) Dr. K.V. Rajendra and directed the officials to make all necessary arrangements for the mega event.

Speaking at the preliminary meeting held at his office yesterday, the DC said that they have set a target of 80,000 people. **Public may register through *www.yogathon2022.com* and obtain the QR Code which has to be scanned at the entrance on the day of the event.**

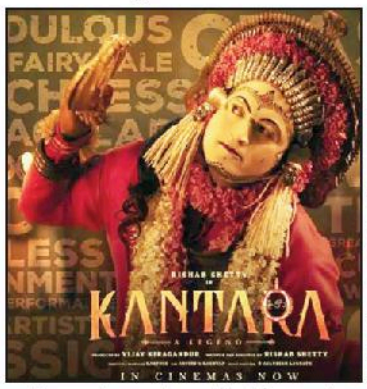
He also directed the officials concerned to make arrangements to bring students, who register through schools, colleges and residential schools, to the venue. "Assign officials to look after various arrangements to be made for the event including parking, drinking water, toilets, stage and entry gates to avoid unruly crowds," he said.

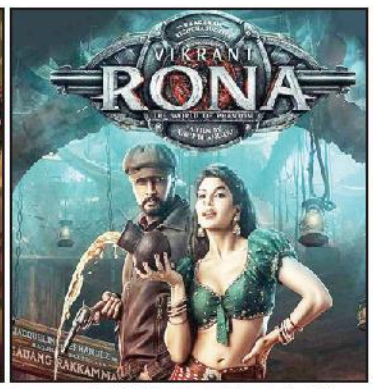
Also, measures should be taken to make sure that there are no loopholes in discipline, safety and transportation facility, the DC said and added that stage, cleanliness, food and ambulance facility should be in place with proper co-ordination between the officials. He also instructed the officials to avoid too young children for the event.

MCC Commissioner G. Lakshmikantha Reddy, DHO Dr. K.H. Prasad, ADC R. Lokanath, Youth Services and Sports Department Assistant Director Rohith, District AYUSH Officer Dr. Pushpa, Department of Information and Public Relation Assistant Director T.K. Harish and other officials were present.

Yogathon2022 is the world's largest yoga and health movement that aims to enable the youth to take charge of their health. Taking place across 31 districts of Karnataka on Jan. 15, 2023, one gets the opportunity to be among the 10 lakh-plus participants in the main event, which is aiming at 1 crore Phygital (Physical and Digital) reach.

Kantara, Vikrant Rona among list of films eligible for Oscar nominations





Bengaluru, Jan. 11- Kannada films *'Kantara'* starring Rishab Shetty and *'Vikrant Rona'* starring Kichcha Sudeep are on the reminder list of films eligible for the 95th Academy Awards (better known as the Oscars).

In its reminder list, the Academy of Motion Picture Arts and Science included 301 films from all over the world that are eligible for the 95th Oscars. The list includes several Indian films.

Nominations for the 95th Academy Awards will be announced on January 24, and the Oscars ceremony will be held on March 12.

Kantara, which saw huge commercial and critical success all over India, has received two qualifications, according to an announcement made by Kantara's production house Hombale Films.

"We are overjoyed to share that *'Kantara'* has received 2 Oscar qualifications. A heartfelt thank you to all who have supported us. We look forward to share this journey ahead with all of your support. Can't wait to see it shine at the @shetty_rishab #Oscars," the production company tweeted.

Kantara is written and directed by Rishab Shetty, who is also the lead actor in the film.

The film is set in the woodlands of Kaadubettu and features the tradition of Bhoota Kola from the Dakshina Kannada region. It follows a Kambala champion, played by Rishab Shetty, who locks horns with an upright Range Forest officer, Murali (Kishore) and a dominant caste landlord grabbing the land of a tribal community.

The movie was dubbed in several languages including Telugu, Hindi and Malayalam, following its huge success in Kannada. *Kantara* had its theatrical release in Kannada on Sept. 30, and is now streaming on a OTT platform.

The list of eligible films also includes the much-hyped contender for various international awards *RRR,* as well as *The Kashmir Files, Gangubai Kathiawadi, All That Breathes, Last Film Show* or *Chhello Show* (India's official entry), Dhanush starrer *The Gray Man,* Tamil film *Iravin Nizhal* and Marathi films *Me Vasantrao* and *Tuzhyasathi Kahihi. Vikrant Rona,* starring Kicha Sudeep and Neetha Ashok among others is also on the list. A Kannada action thriller, *Vikrant Rona* was also released in Telugu, Hindi, Malayalam and Tamil.

Earlier in December, the Academy of Motion Picture Arts and Sciences had announced the shortlists for the Oscars in 10 categories. Among the entries that had made it to the shortlist were India's official entry *Chhello Show* (international feature film), the acclaimed documentary feature *All That Breathes* (documentary feature), the documentary short *The Elephant Whisperers* (documentary short), and the song *'Naatu Naatu'* from *RRR* [music (original song)].

Sri Chamarajendra School for Excellence on NEP model to start soon in city

Yaduveer Krishnadatta Chamaraja Wadiyar, President, Sri Jayachamaraja Ursu Education Trust, seen addressing the press meet at Sri Chamarajendra Ursu Boarding School in city this morning as (from left) Trust member B.P. Balachandra Urs, Secretary Mahesh N. Urs, Vice-President Bharathi Sridhar Raje Urs and Joint Secretary Sardar Srikanta Raje Urs look on.

Mysuru, Jan.11 (MK&BS)- Sri Chamarajendra School for Excellence on Krishnaraja Boulevard, Chamarajapuram in the city, will be starting from the academic year 2023-24 on the model of National Education Policy (NEP-2020). It will be functioning from the heritage building, which once housed Sri Chamaraja Ursu Boarding School, that was winded up four years ago due to COVID situation.

Announcing this to media persons this morning, Yaduveer Krishnadatta Chamaraja Wadiyar, President, Sri Jayachamaraja Ursu Education Trust, said that "The new school will be flagged off on Feb. 22 as the day is the birth anniversary of erstwhile Maharaja of Mysore Sri Chamaraja Wadiyar, the founder of erstwhile Sri Chamaraja Ursu Boarding School. It will be run under Sri Jayachamaraja Ursu Education Trust that was established in the year 1957 by the then Maharaja of Mysore Jayachamaraja Wadiyar. The purpose of the Trust is to provide value-based education."

Yaduveer said, "Initially students for class 1 to 8 will be admitted. In the later years, the school will be upgraded to provide education till II PUC. The school is nestled in a spacious nine acres of land in the heart of the city, promising an eco-friendly campus and well connected to all the residential extensions of Mysuru city."

It promises innovative technological teaching practices of the relevant education system. The infrastructure facility of the school also promises plastic-free and carbon-free campus. All the practices of the earlier school will continue in this NEP model school too, and will offer a curriculum to suit the current situation to equip the students to be competitive, without compromising on the quality of education, added Yaduveer.

Well-ventilated classrooms, activity-based learning, spacious playground, well-trained teachers and affordable fee structure form the additional features of the school, he said.

Sri Jayachamaraja Ursu Education Trust of erstwhile Mysore royal family that already has several educational institutions under it will run the new school, says Yaduveer Krishnadatta Chamaraja Wadiyar.

In a joint venture, the Trust is already running Wadiyar Centre for Architecture in the same campus (of Ursu Boarding School). Besides, Sri Vani Vilasa Ursu Girls High School (both primary and secondary), PU and Degree Colleges are being run at Nazarbad, added Yaduveer.

Vice-President of Sri Jayachamaraja Ursu Education Trust Bharathi Sridhar Raje Urs, Secretary Mahesh N. Urs, Joint Secretary Sardar Srikanta Raje Urs and member B. P. Balachandra Urs were present at the press meet.

Competitions: Various competitions are being organised for the children in the age group of three to 12 years on Jan. 29 at the school premises. They are: Frog race and water relay for kids in the age group of three and four years, picking the colour stones and ball balanced race for kids of age five and six years and chess tournament and karate- kata tournament- for kids of age seven to 12 years.

Attractive prizes, participation certificates will be given for all and gifts for kids of age three to six years. For details, call S.G. Sowmya on Mob: 99028-96323.

Naming Mysuru-B'luru Expressway: Yaduveer to go by Govt's call

Mysuru, Jan. 11 (MK&BS)- Even as there is a raging debate over naming Mysuru-Bengaluru Expressway after erstwhile Maharaja of Mysore Nalwadi Krishnaraja Wadiyar or River Kaveri (Cauvery), Mysore Royal Family member Yaduveer Krishnadatta Chamaraja Wadiyar today said that he will abide by whatever decision the Government takes in this regard.

It may be mentioned that, ahead of the opening of the Expressway that is due in February end, Mysuru- Kodagu MP Pratap Simha has suggested the name of River Kaveri as very apt while former CM S.M. Krishna and incumbent Mandya MP Sumalatha Ambarish have mooted the name of Nalwadi as most suitable for the newly developed Highway.

Reacting to media queries today, Yaduveer said, "Whichever name the Government decides, I have my full consent. All those will be decided at the Government level."

The works should be completed at the earliest and the travellers should be benefitted, said Yaduveer.

On a query regarding Devikere works at Chamundi Hill that have been stopped (by an advocate representing the royal family), Yaduveer told the media persons to speak to his mother (Pramoda Devi) regarding the issue.

Raghu Kautilya accorded Cabinet status

Mysuru, Jan.11- Mysore Paints and Varnish Limited (MPVL) Chairman Raghu R. Kautilya has been accorded Cabinet rank status by the Karnataka Government with immediate effect.

Under Secretary-2 of the Department of Personnel and Administrative Reforms (DPAR) T.V. Sunandamma in an order issued on Monday (Jan.9) said that the status will be in force until further orders.

It may be mentioned here that Raghu Kautilya had also served as Chairman of D. Devaraj Urs Backward Classes Commission Chairman earlier, before he quit the post to contest the Dec.2021 MLC polls, which he lost.

Real estate on Ring Road to offer profitable returns

Mysuru, Jan. 11 (RK&BCT)- For a long time, almost a decade, real estate was a dud investment for many investors, especially along the Ring Road. However, the property market is back on the radar with the Karnataka State Cricket Association's (KSCA) plan to construct an International Cricket Stadium at Hanchya-Sathagalli becoming a reality soon.

Land prices are already heading north in the region as along with the Stadium, nearby areas will see major development with the movement of national and international teams, and catering to their food, travel and accommodation needs. The region will see increased commercialisation and property owners — both MUDA sites and revenue properties — can reap rich dividends now.

"Everyone was sceptical about investing in real estate after the COVID-19 pandemic. Now the land rates along the Ring Road in Mysuru will jump to new highs. The area earmarked for the Stadium is bound by roads on all sides and there is smooth connectivity to Bengaluru from the Ring Road. Once the 10-lane Mysuru-Bengaluru Highway is open, the real estate prices on the Ring Road will go further up," a property developer opined.

MUDA Chairman Yashaswi S. Somashekar, Commissioner G.T. Dinesh Kumar and a team of officers during the inspection of the land for KSCA's International Cricket Stadium at Hanchya-Sathagalli near Ring Road this morning. *[See report on page-3]*

Spot drawing contest marks Swami Vivekananda Jayanthi

Mysuru, Jan. 11 (SSM)- As part of Swami Vivekananda's 160th Jayanthi (National Youth Day) celebrations, Team Mysuru Prathistana, in association with Karnataka Exhibition Authority (KEA), had organised a Spot Drawing Competition at Kalinga Rao Ganmantapa in Dasara Exhibition Grounds here on Sunday.

As many as 131 students took part in the contest where a pencil led sketch of God, drawn by artist Nanjundaswamy, received huge appreciation.

Inaugurating the event, Mayor Shivakumar observed that children must enthusiastically take part in various such competitions. "Vivekananda is the one who introduced Indianness (Bharatiyate) to the whole world. Organising spot drawing contest with the theme 'Swami Vivekananda and incidents related to his life' is a special and unique way of commemorating the great personality," he said.

Cauvery Hospital Head Dr. Chandrashekar, Pai Vista Hotel Founder Mahesh Kamath, Corporator Chayadevi, Team Mysuru Prathistana Members Kiran Jairam Gowda, Yashwanth, Lingaraju Hiriyanna, Anil Jain, Murali, Anand, Prasanna Raj Guru, Yatish, Amar, Manjunath, Harish Shetty, Abhishek, Ganesh, Harish, Sahana, Kaveri and others were present during the occasion.

Don't delay registration of births, deaths: DC to DHO

Mysuru, Jan. 11 (BS)- Deputy Commissioner (DC) Dr. K. V. Rajendra has directed the District Health Officer (DHO) to ensure 100 percent service pertaining to registration of births and deaths within 21 days of the incidence.

Presiding over the meeting of District Level Coordination Committee of Civil Registration System at his office on Jan.9, the DC said that "Records of civil registration and valid documents of births and deaths should be maintained in toto. The records related to pregnant women should be collected from hospitals in advance and birth of child should be registered within 21 days, so that the birth certificates are given in time."

It is mandatory to register all births and deaths on eJanMa software. However, there are chances of poor people not being aware of this software and the possibilities of them being cheated cannot be ignored. As more deliveries happen at hospitals, the onus is on Village Accountants and Health Officers of Primary Health Centres to ensure the registration process, DC added.

The DC also warned of taking stern action against officers if they are found lax in discharging their duties related to registration of births and deaths. It is mandatory to register births and deaths and the poor should not be put into any hardship in the future. Why the registrations are not happening in time? the DC questioned.

District Statistical Officer Krishnamurthy said "There has been improvement in the cases of late registrations in 2022 when compared to 2021. There has been improvements in post COVID days with only 23 percent delayed cases of registration among the total registrations. Of the total late registrations, 27 percent are reported from Mysuru District Health Centre and 19 percent from MCC limits."

DHO Dr. K.H. Prasad and officers of various Departments were present.

Auto drivers protest against bike taxis

Mysuru, Jan.11 (PM&TRR) Auto drivers of city staged a protest opposing the State Government's proposal to give permission to E-Bikes and also against the unauthorised plying of white board bike taxis in city.

Members of the Federation of Auto Drivers Associations assembled near the Deputy Commissioner's Office carrying posters opposing the Government's move and protested against the introduction of E-Bike Taxi services in city.

Alleging that the State Government is snatching the livelihood of auto drivers, they said that despite severe constraints and rising costs of operation, auto drivers were operating to earn their livelihood and also contributing to Government's revenue. "The Bike Taxi operators are already on job and operate as Bike Taxi drivers to earn additional income, the protestors said.

But auto drivers are solely dependent on autos to earn their livelihood and have no other source of income. The introduction of E-Bikes and unauthorised plying White Board Bike Taxis are detrimental to our interests, they added.

The protesting auto drivers were led by the Convenors of the Federation Lion M. Manjunath, C.N. Srinivas and N. Raghu.

Cleaning, hostel cooking staff and safai workers of Mysore University launch indefinite strike

Mysuru, Jan.11 (MK&TRR) "Demanding fulfilment of their various demands including minimum salary, ESI and PF benefits, the cleaning, hostel cooking staff and safai workers attached to the University of Mysore launched an indefinite protest today.

Accusing University of Mysore of ignoring the demands of its cleaning staff and safai workers who were working for years under its jurisdiction, the disenchanted workers, who are members of State Combined University Cleaning Staff Association which is affiliated to AIUTUC launched an indefinite protest, in front of Kuvempu statue at the entrance of the University .

"The salary of the cleaning, hostel cooking staff and safai workers should be credited to their Bank accounts. These workers should be given PF and ESI facilities apart from giving them necessary protective gears. In addition, they should also be paid arrears of minimum salaries and details of deducted amount paid to the PF account of workers should be shared. The workers' minimum wages should be revised regularly and Dearness Allowance (DA) should also be paid to cleaning staff and safai workers," demanded AIUTUC Secretary Chandrashekar Meti, who also asked the authorities to stop harassing cooking staff.

AIUTUC office-bearers including District General Secretary Usharani, Yashodhar, Suma, Mary, Satish and others took part in the protest.

Congress launches 'Prajadhwani' Bus Yatra from Belagavi

Belagavi, Jan.11- Ahead of the forthcoming Assembly polls, the KPCC (Karnataka Pradesh Congress Committee) virtually began its poll campaign today by setting off 'Prajadhwani' bus yatra at Belagavi this morning to highlight the failures, misdeeds and maladministration of the BJP Governments in the State and Centre.

AICC General Secretary Incharge of Karnataka Randeep Surjewala, KPCC President D.K. Shivakumar (DKS), Opposition leader and former Chief Minister Siddharamaiah and other top Congress leaders launched the 'Prajadhwani' bus yatra at Veer Soudha here. The Yatra will pass through 21 districts over the next few days, during which the Congress leaders will sensitise people on the rampant corruption and maladministration of BJP Government. The Yatra will also focus on the Congress plans and ideas for the State if voted to power in the Assembly polls. The Yatra was launched with the theme 'Kai Jodisi Karunaadigagi' (Join hands with the Congress for saving the State). The Congress has developed a website- prajadhwani.com for the purpose. The yatra will first cover several districts of North Karnataka, before entering the Southern State, with DKS and Siddharamaiah at the helm.

Earlier, the Congress leaders paid tributes to Mahatma Gandhi at Veer Soudha (Gandhi Baavi), which was built to commemorate the only session of the Congress presided over by the Father of the Nation in pre-independence days.

Yesterday, DKS, Siddharamaiah and other Congress leaders performed puja to the specially designed bus at Belagavi.

Speaking after the launch, DKS said that over 84,000 youths have lost their jobs while more than 1,200 companies have either shut down or on the verge of closure in the past couple of years. All this is due to the incompetence of the State Government, he said adding that this situation has deterred investors from setting up Industries and companies in the State.

Unidentified body found

Mysuru, Jan. 11 (KS)- Mysuru South Police have found a body of an unidentified person on the Bandipalya Ring Road's Service Road leading to Koppalur village and have registered a case.

Good response for MUDA Adalat; 250 seek solutions

MUDA Chairman Yashaswi S. Somashekar and Commissioner G.T. Dinesh Kumar listening to people's grievances at the MUDA Adalat in city yesterday.

Mysuru, Jan. 11 (MK&BCT)- First Adalat launched by the Mysuru Urban Development Authority (MUDA) last afternoon under the leadership of Chairman Yashaswi S. Somashekar received a good response and people crowded the counters for a speedy resolution of their land use problems.

Over 250 residents of the city came with applications for change in land use, khata transfer, drinking water problems, possession certificate, site allotment and other basic amenities in MUDA layouts that are yet to be transferred to the Mysuru City Corporation (MCC). It also included the issues like alternative sites, bit of land sanction, possession certificate, revenue fixing, land acquisition compensation and civic amenities.

Development of vacant plots

While many residents demanded improvements in the infrastructure, residents of CFTRI Layout in Bogadi 2nd Stage told the MUDA Chairman and Commissioner G.T. Dinesh Kumar that one person had occupied a CA site and space earmarked for a garden. "While the Karnataka High Court has ruled that the property belonged to MUDA, no improvement works have been taken up even after years," the residents said.

They said that the CFTRI Layout was formed 30 years ago and the members of the Residents Welfare Association are moving from pillar to post for facilities, civic amenities and other issues. The residents demanded immediate development of vacant plots and CA sites so that no one else encroaches on them.

Hearing their plea, Somashekar and Dinesh Kumar assured the residents that officers would carry out study of the Layout soon and come up with an action plan.

Other issues that came up in the Adalat were delay in issuing khata, delay in fixing tax for residential buildings, non-availability of CA sites and lack of space for parks and green areas.

Nataraju, an applicant, told the MUDA Chairman that he has purchased a plot from first party in Lal Bahadur Shastri Nagar. "I have been denied the sale deed and documents and I fear that someone will occupy my site," he said.

Commissioner Dinesh Kumar said that there are some issues in issuing land documents at Vasanthnagar and R.T. Nagar and the issue has been brought to the attention of the State Government.

MUDA site application nears 28 years

Dakshayani, a resident of Janata Nagar, said that she had applied for a MUDA site 28 years back. "I have come to the MUDA office hundreds of times and every time, the officers tell me that I have mentioned my birth date wrong," she recounted. The MUDA Chairman assured her of a site in the upcoming layouts.

A few residents requested MUDA to allot the vacant first-floor houses in the Asha Mandira project at Sharadadevi Nagar. Shivaswamy of Kergalli alleged that even though he gave up 4.08 acres of land for the MUDA Ravishankar Layout under Survey Nos. 159/4, 159/4, 153/6 and 170/6, he was only granted only one site. He asked officials to follow the bylaw rules and sanction him sites according to the law.

Residents of Lalithadri Nagar (South) Layout alleged that they are yet to get Cauvery or Kabini water. Residents of Bogadi SBM Layout urged the MUDA to hand over their layout to Srirampura Town Panchayat and said that this process was delayed.

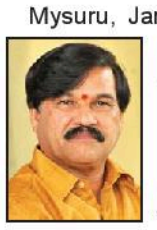
At the Adalat, over 20 issues were solved on the spot and two khatas were sanctioned. On the complaints that certain private layout developers reneged on the promises made while customers purchased the sites, the MUDA Chairman ordered the officers to issue notices and seek explanations. **Next MUDA Adalat will be held on the fourth Tuesday of this month where all the pending applications in this Adalat will be heard and resolved.**

MUDA Adalat every month

The MUDA Adalat will be held every second and fourth Tuesday of every month and will hear public grievances on all MUDA approvals and services and other public services that have been pending like land use information, alternative sites, pending compensation for land acquired, khata transfer, possession certificate, etc. However, no new applications for house sites will be received at the Adalat.

Devikere works taken up to protect its sanctity: MLA Ramdas

Mysuru, Jan. 11 (SBD&BS)- Former Minister and current Krishnaraja MLA S.A. Ramdas has clarified that the development works of Devikere has been taken up only to protect the sanctity of the lake which has a religious significance.



S.A. Ramdas

Though Chamundi Hill does not fall in the ambit of Krishnaraja Constituency, represented by Ramdas in the Assembly, he took a keen interest in the rejuvenation of the water body. After the temple priests and locals brought to the notice of Ramdas, the pathetic condition of the lake, he had succeeded in seeking grants from the then Chief Minister B.S. Yediyurappa. Following this, he had also got the first phase of funds released from the then Minor Irrigation Minister J.C. Madhuswamy, facilitating the works.

Ramdas' efforts had also come under praise from various quarters.

In his reply, Ramdas has said: "The sewage water was reaching the womb of the lake, while the steps had turned slippery due to lack of maintenance. The temple priests were finding it difficult to take the steps. A part of the bund was in a dilapidated state. The priests had brought all these into my notice urging for the restoration works of the lake. I had exhorted the then CM B.S. Yediyurappa in this regard and even got the funds released. Chamundeshwari MLA G.T. Devegowda (Chamundi Hill comes under his Constituency) had also lauded the initiative."

Now, the works are undertaken to check the flow of sewage into the lake and facilitate only rain water. Even if the water overflows, it should flow in a systematic manner. The water required to perform rituals for the Goddess Chamundeshwari and the safety of priests who go to fetch water from the lake were the only reasons behind taking up the works, added Ramdas.

Assistant Executive Engineer (AEE) of Minor Irrigation Department Eshwar said: "Sewage water was flowing into the lake, which holds religious significance for *Teppotsava* (Coracle Festival) conducted every year during Dasara. MLA Ramdas, who took keen interest, brought this to the notice of the then CM Yediyurappa and got the funds sanctioned from Minister Madhuswamy. A tender for Rs. 7.5 crore was issued by the Minor Irrigation Department that was bagged by Vanaja Construction firm and the work order was issued on June 21, 2022. The works have been taken up with all safety measures."

The drainage system will be built to avoid sewage water from mixing with lake water, thus facilitating the free flow of rain water to the water body. The works are on to remove the silt, without harming the mother source and water springs. The silt has deposited from five to six decades and the machinery is deployed only to remove the muck, the AEE added.

To ensure that no aquatic creatures in the lake were harmed, measures were taken to constantly look for them, as it was believed that Tortoises and other such creatures have made their habitats. Two big fishes were rescued from the lake and released into Hirekere. The stones installed like in *Kalyanis* (ponds) are being removed and relaid to check the possibilities of alluvial surface by building toe walls.

The pathway will be built around the lake, along with stone wall in a sloping design and safety grills. The vacant space around will be turned into a viewers gallery with stone benches and heritage style lamp posts. The originality of the lake will remain intact, with cautious and honest efforts being made in this regard. The machinery is used only to desilt the lake, while the remaining works are being carried out with the help of manpower. The works are expected to be complete by June, said AEE Eshwar.

Ponnampet's CIT accredited with NAAC "A" Grade

Ponnampet, Jan. 11- **Coorg Institute of Technology (CIT)** at Halligattu, Ponnampet, functioning under the Kodava Education Society (KES), has been accredited with "A" grade by the National Assessment and Accreditation Council (NAAC).

This was announced by CIT Secretary C.P. Rakesh Poovaiah here recently in the presence of Principal Dr. M. Basavaraj, teaching and non-teaching staff. The NAAC team visited several Departments in CIT on Dec. 22 and 23 to assess the institution in accordance with NAAC guidelines.

Lauding the Principal and staff, KES President Dr. M.C. Kariappa said the responsibility of the staff had increased with the allotment of "A" grade and goaded them to go for higher grades in future.

Endorsing Dr. Kariappa's views, Rakesh Poovaiah noted that the staff should not slacken their efforts but continue with the same vigour to score higher grades as also secure National Board of Accreditation (NBA), another mode of accreditation for higher educational institutions in the country.

Academic Council members Dr. Pushpa Kuttanna, Dr. Ponnamma Machaiah and K.S. Thimmaiah, guided the CIT teams to prepare for NAAC.

CIT's NAAC Coordinator Dr. Ramakrishna, Internal Quality Assurance Cell (IQAC) Coordinator Prof. B.J. Kishen Karumbaiah and Heads of all Departments, were present.

NAAC is a Government organisation that assesses and accredits higher educational institutions. The main purpose is to create an understanding about the status of education quality among the institutes.

NAAC accreditation focuses on improving quality parameter of education and aims at improving overall development of students by helping them inculcate skills and knowledge.

WORD OF THE DAY

Accoutrement

Pronunciation: uh-KOO-truh-munt.
Meaning: An accoutrement is a piece of clothing or equipment that is used in a particular place or for a particular activity. In military contexts, accoutrement refers specifically to a soldier's outfit. It can also refer to an identifying and often superficial characteristic or device.
Origin: Accoutrement and its rarer relative accoutre, a verb meaning "to provide with equipment or furnishings" or "to outfit," have been appearing in English texts since the 16th century. Today both words have variant spellings—accouterment and accouter. The pair's French ancestor, accoutrer, descends from an Old French word meaning "seam" and ultimately traces to the Latin word consuere, meaning "to sew together." Some etymological stitching is visible in another English word: couture, a word referring to the business of making fashionable clothes, as well as to the clothes themselves, is also a descendant of consuere.
Example: "An accoutrement that has the very important job of keeping a man's pants up, belts also have the power to complete a look." — Marie Lodi

THE ODD WORD

Ablutomania

Mania for washing oneself.

PHRASE OF THE DAY

A king's ransom

Meaning: A king's ransom is an unspecified but exceedingly large amount of money.
Origin: The present use of the expression 'A king's ransom' is simply to denote a large amount of money. Originally though, in the early Middle Ages, it referred to an actual sum - the amount required to obtain the freedom of a king who was held prisoner. In medieval warfare each participant had a price on their head - the richer an more influential the person captured the more money could be obtained to secure their release. Of course, kings were the wealthiest and provided the greatest bounty. Recent historical research has shown that there was a well-organised trade in the captives of war and the capturing of high-ranking prisoners led to a significant bonus in the income of the capturing forces. There are documented records showing that an English archer called William Callowe obtained almost £100 from the ransom of an important prisoner taken at the battle of Agincourt in 1415. Callowes' usual wages as an archer would have been sixpence a day.

QUOTE BOX

He who reigns within himself and rules passions, desires, and fears is more than a king. **—John Milton**

Sudoku is a number-placing puzzle based on a 9x9 grid with several given numbers. The object is to place the numbers 1 to 9 in the empty squares so that each row, each column and each 3x3 box contains the same number only once. The difficulty level of the Concept is Sudoku increases from Monday to Sunday.

CRYPTOQUIP

The Cryptoquip is a substitution cipher in which one letter stands for another. If you think that X equals O, it will equal O throughout the puzzle. Single letters, short words and words using an apostrophe give you clues to locating vowels. Solution is by trial and error.
